

# Ovation 3100 Series Chairs

## Overview:

The Ovation Series Stack chair is designed to promote comfort for today's 21st Century Learning Environment. The Ovation Chair is presently offered in 5 different sizes: 12", 14", 16", 18", 18XL"

The shell consists of heavy duty and static free, high-density polypropylene material with a light grain texture surface on both sides. The shell is injection molded into a one-piece shell unit with 17 heavy duty reinforcing structural ribs with waterfall edge. The ergonomically designed opening in the shell back provides added comfort as well as a handle grip. The shell is attached to the frame with steel rivets underneath the seat, which offers no exposed hardware on the surface.

The frames are formed of 1-1/8" 18-gauge tubular steel. (16-gauge on the XL). The legs are welded to two 14 gauge steel brackets with a continuous weld at all four connection areas. Brackets run front to back on the chair. No additional bracing is needed between the legs for support. The frame is bright nickel chrome plated after welding. The frames colors offered are: Chrome, Black, and Platinum.
