

SC6500 Desk:

The 6500 student desk is a heavy duty desk with 22x28" work surface, sturdy 1 3/4" straight legs, and welded apron frame. The Melsur® solid plastic top is standard with the "Ergo Edge," Scholar Craft's exclusive design for added comfort. The Melsur® solid plastic 22x28" work surface is made of 5/8" solid plastic consisting of recycled wood flour and Melamine resin to assure a durable, smooth, stain resistant and dry-erase surface.

Frame:

1 3/4" 16 gauge steel legs and 1 1/2" welded apron unitized frame design. The nickel chrome plated leg inserts are made of 16 gauge steel.

Glide

Silent, rubber cushioned stem adjustable height 1 3/8" diameter glide for ease of leveling. Glides are made of hard carbon steel with flat nylon bottom and chrome plated. Steel base glides, and felt tip glides are optionally available.

Height:

Adjustable from 22" to 30" in one inch increments.

Options:

Plastic Book Box, Metal Book Box, Perforated Metal Book Box, 5/16" diameter Wire book rack, Book bag hook. Steel Glides, Felt Glides, Q-Ball Glides.

Standard Frame Color:

Platinum or Black
